REPORT NO.

25X1C

25X1A

25X1A 1. At noon [REDACTED] photographs were obtained of the Nauen radio station building and of a cone-shaped device mounted on top of a mast. [REDACTED] [REDACTED] this device was not seen. Local residents stated that no Russian soldiers are stationed in the area of the radio station.

25X1C 2. [REDACTED] it was learned that trial operations on the Berlin-Nauen microwave radio telephone circuit had been successfully completed and that it would be opened soon, operating on frequencies of 1,390 and 1,460 k.c. *

25X1A * [REDACTED] Comment. For photographs, see Annex 1. For location of the Nauen radio station, see Annex 2. The installation is believed to be a microwave communications station. The accurate compass measurement of the longitudinal axis of the conical device has not been determined. The device is possibly a transmitting and receiving set of the Nauen-Berlin decimeter wave radio telephone circuit. The Russian agency operating this line is not known.
